About new coronavirus infection prophylaxis

We hereby present our guidelines on coronavirus infection measures for on-site participants and cordially request your understanding and cooperation on this matter.

- Please wear your mask at all times, especially when visiting the venue.
- At the venue entrance, we will conduct temperature checks and sanitization.
- Anyone that records a temperature reading of more than 37.0 degrees will be refused entry to the venue.

The following preventive measures against infection will be taken in the venue.

- Temperature check, sanitization, mask wearing
- Periodical indoor ventilation
- Alcohol sterilization of items such as desks, chairs, doorknobs etc.
- Setting acrylic boards
- Maintenance of social distancing when moving around the venue

[Special Lectures, Workshops, Plenary Sessions, and Oral Free Papers]

The conference program will be presented as a hybrid style meeting.

The presentation will be delivered on live. After presentation, the discussion time will be held according to the moderator's instructions. The online viewer will be able to send questions in the Q & A column. The on-site participants will be available to ask questions using the microphone at the conference venue.

[On-site Poster Session]

Location: Poster Session will be located in the Room 4 and foyer of the 3rd Floor, JR Hotel Clement Takamatsu.

Schedule: On-site Poster Presentation is scheduled as follows.

Poster Viewing: From 11:00 on September 1 (Thursday) through 18:30 on September 2 (Friday)

Poster Presentation: 18:30-19:30 on September 2 (Friday) at Room 4 and Foyer

Awarding Ceremony with refreshment: 19:30-20:30 on September 2 (Friday) at Room 1

*All the attendees are invited to the awarding ceremony with refreshment (Hybrid Style).

[E-Poster Session]

Poster Session will be presented through the following APASL Oncology 2022 Takamatsu website.

<https://www.apaslsc-takamatsu2022.org/online.html>

The viewing period is scheduled during the conference term (live and on-demand) from September 1 (Thursday) through September 30 (Friday), 2022.

[On-demand presentation]

The recorded lectures and discussion will be distributed on-demand from The APASL Oncology 2022 Takamatsu website <https://www.apaslsc-takamatsu2022.org/online.html> after the conference, excepting a part of program.

The viewing period is scheduled to be from September 9 (Friday) through September 30 (Friday), 2022.

The secretariat will receive the questions by e-mail during the on-demand delivery period and will forward them to each presenter.

[Precautions]

The organizer cannot handle problems such as computer operation, internet connection, video connection, and audio connection. Please solve such problems by yourself. We recommend the following environment.

-PC with as much memory as possible (CPU i5 or more, memory 8 Giga or more).

-Please connect to the Internet via a wired LAN line as much as possible.

The online conference system “Zoom” will be used for this conference. Strict security checks are carried out using IDs and passwords, however caution is required when using public systems.

Recording of screens and images are strictly prohibited.

If you have any questions, please contact the secretariat below.

We would like to thank you all for your cooperation.
